Newsletter 26th April 2019

SIAMS Inspection Outcome

As you are aware, on 2nd April 2019 our Statutory Inspection of Anglican and Methodist Schools took place. The staff and governors are delighted to share the report that judges our school as Good, especially in light of the higher expectations in this current schedule.

We are particularly pleased that the inspector recognised that ours is 'a school where the curriculum and ethos inspires pupils with exciting and relevant learning' and that our 'Partnerships between the school, families and members of the local community are highly valued'. He also recognised that our vision is for all of our pupils to be able to flourish and grow. Here at Longney we always place our pupils at the heart of all we do and we are pleased that this has been recognised.
