

Maths Home Learning Grid Year 1

Please complete as many as you can whilst you are home learning. These have been designed to be practical and open ended for you to have fun completing.

Count to and across 100, forwards and backwards, beginning with 0 or 1, or from any given number.	Recall the number bonds for numbers to 20.	Count in multiples of twos, fives and tens from 0.	Practise playing shops and using money to find totals and change.	Construct a tally chart of your families favourite food/toy etc and make a bar graph.
Read and write numbers in numerals to 100.	Add one digit and two-digit numbers to 20, including zero.	Share out practically sweets and draw circles and dots to solve division problems.	Tell the time to the hour and half past the hour and draw the hands on the clocks to show the times.	Make a game with your family involving adding or subtracting numbers up to 20.
Find some numbers round the house and choose 5 to order ascendingly and descendingly.	Partition numbers to 20.	Find $\frac{1}{2}$ and $\frac{1}{4}$ of numbers, shapes, objects and lengths.	Go on a shape hunt and find all of the 2D and 3D shapes. Name their edges and vertices.	Play some board games that involve counting spaces, adding money or sorting shapes.
Practise writing numbers in words and spelling them correctly.	Subtract one-digit numbers from two-digit numbers. Can you make up stories to go with your calculations?	Explore measures by cooking and baking and using different scales.	Make continuing patterns from objects, shapes or numbers.	Take picture or write down anything you do that involves using your maths skills.

Reading Home Learning Grid Year 1

Please complete as many as you can whilst you are home learning. These have been designed to be practical and open ended for you to have fun completing.

Practise recalling the graphemes you have learnt from your sound mat.	Act out a story with your family – you could make a play!	Ask an adult to ask you some questions about what you have read using the questions in your reading record.	Read a book and see if you can find an animated version to spot the differences.	Look through your book for exciting vocabulary and make a list.
Go on a grapheme hunt through your reading book and make a list of words you find.	Write a book review of the different stories you read.	Retell a story using a story map from a book or your own story.	Read a range of books by the same author to spot any similarities.	Choose a character from a story and write a diary page after a big event from the book.
Look through your books for any punctuation marks and talk about what they mean.	Read for at least 15 minutes every day.	Draw a story map of the whole story using key vocabulary and conjunctions.	Find at least 5 different things to read from stories to menu's and magazines.	Record yourself reading a book and listen back to hear if you are using expression.
Read a story aloud to a family member.	Write some questions that you could ask about what you are reading.	Practise reading the Year 1 word lists.	Read the blurb from a book and make a prediction before reading it.	Draw a picture or make something from a story you have read.
