### Spring Term Homework for Goldfinch Class

Dear Parents,

Please see below the nine tasks/activities, containing all the topic homework for both Terms 3 and 4 (from now until Easter). Each task has a star rating which indicates the complexity of the task, i.e. three stars requires more thought and time than a one star task.

Children should choose four of the activities to complete, to be done in any order and brought into school on the dates shown below. Each completed piece of work (or a photo of it) will be stuck into the child's Learning Journey, so please remind your child that it needs to be well presented.

In addition, this term we will be doing one homework which is a Philosophy for Children style question. You will find below a question for you and your family to discuss with your child. We teach the children that there are no right and wrong answers in Philosophy and that all opinions should be respected, so hopefully they can share some of their learning with you. You will first need a discussion of the meanings of the words.

Any questions please ask.

Yours sincerely,

Mrs Kirby

Values homework

Task 1 – due 27.1.20

Task 2 - due 10.2.20

P4C question - due 2.3.20 - Which of these characteristics would you rather have - innovation, diligence, integrity, team-work, attitude, respect, optimism or determination?

Task 3 - due 9.3.20

Task 4 - due 23.3.20

		
Draw a picture of your favourite book cover.	Write a review of a book you have read recently.	Write out (or print/illustrate) your favourite poem about ice or snow. Can you learn it?
Make a dream catcher.	Which 3 items would you take on a trip to the Arctic? Draw a picture of each and explain why you chose them.	Find out about a climate change charity. What we can all do in our day to day lives to reduce climate change?
Make a snowflake or a mini igloo.	Keep a record for at least one week of our weather and weather in the Arctic.	Do some research about an Arctic animal (not a polar bear).
