

<p><b>English Literacy</b></p>  <p>We will begin this term by working on information texts. We will be creating E-safety leaflets with the aim of improving pupils and parent's awareness of this important topic.</p> <p>We will then move on to a non-fiction narrative: Beatrice's Dream by Karen Lynne Williams. We will be revisiting areas such as noun phrases, conjunction use and working hard on creating interest through varied vocabulary. We will also be focussing on setting and character description.</p> <p>Our Big Writes for this term will also be focussing on character descriptions and story settings.</p>	<p><b>R.E.</b></p>  <p>Our R.E. unit this term is understanding how festivals and worship matter to a Muslim. We will be thinking about how a mosque is a special place of prayer and looking at the festivals of Ramadan and Eid-UI-Fitr. We will think about how we can live more harmoniously. As part of our R.E. we will also be visiting Gloucester Cathedral and Mosque.</p>	<p><b>Maths</b></p>  <p>Pupils will be continuing work on fractions. They will also work with money. Finally we will be working on areas the children have found challenging, to consolidate and deepen their understanding.</p> <p>There will also be mini maths sessions to consolidate their understanding of written methods of calculation in addition, subtraction, multiplication and division. We will also be looking at word problems.</p> <p>Times tables - we will continue our Club Maths, where pupils are working on improving their speed and accuracy, as well as continuing with the children's individual tables tests.</p>
<p><b>Science</b></p>  <p>This term we will be looking at plants. Pupils will find out about the different parts of flowers and the role of bees in pollination. Pupils will also find out about the seeds; their role and why they vary in structure.</p>	<p><b>Goldfinch Class Summer term 5.</b> <b>Your food, your world.</b></p> 	<p><b>Geography</b></p> <p>We will be locating countries around the world and studying the human geography of Southwest England, Mexico and Spain. We will be looking at the similarities and differences between foods from these countries as well as connections between the children's lives and the lives of children from Mexico and Spain.</p>
<p><b>P.E.</b></p> <p>Children will be learning and developing their skills in Cricket and Rounders.</p> <p><b>P.S.H.E</b></p> <p>We will be learning about growing up and keeping safe at home and at school.</p>	<p><b>Music</b></p> <p>This term all children will be having violin lessons from an outside teacher.</p>	<p><b>D.T.</b></p> <p>Our DT focus is cooking. We will be preparing and cooking British and Mexican recipes. As part of this we will discuss food hygiene, safety in the kitchen and the principles of a healthy and varied diet.</p> <p><b>Computing</b></p> <p>Children will be working with Scratch to programme and debug a game. We will look at how to create graphics for the games and alter variables to effect the game outcome.</p>
