

### Building Project

It was lovely to be able to open our doors to parents on Friday afternoon and share our new building with our wider community. We received a lot of positive comments and I know everyone feels the wait and disruption has been worth it. This morning the last part of the remaining cabin was taken away and the car park should soon be back in action. There is some work to do to the surface of the car park but we will let you know as soon as it is ready.

### Our Values

This term we are exploring Friendship and Service as our Values. We will be thinking about how we can use these in our everyday life to help us, listening to stories from the Bible that teach us how these values can influence our behaviour and celebrating when we see these values in action around our school.

Please find attached a Home—School Value sheet for Friendship and Service to give you ideas for discussion and activities at home. Your child will be asked to choose one of the values and design a poster to show what this value means to them. These should be brought into school by Friday 13th May.

### After School Club Play Leader Vacancy

We are looking for a new Play Leader for our After School Club from the beginning of June. The club runs Monday—Thursday from 3—5 pm. If you would like more information, please contact Heidi or email [admin@longney.gloucs.sch.uk](mailto:admin@longney.gloucs.sch.uk)

Many thanks to Vicky Farley for her work running the club this year.
