## HELP OUT

Please feel free to reach out to any FOLS member with any additional ideas, volunteering or help you can provide. We always need more volunteers, even 10 minutes would make a big difference. We hope you can join us in supporting our school with the upcoming events.

## FOLS ARE BACK

We hope you all had a good summer break and are getting back into the swing of school life. September has already flown by, but we have been busy planning our next school year of great FOLS events and activities. As always, we are looking for more family members within our school community to join us to contribute in any way towards raising funds for our fabulous school. Please feel free to attend our next FOLS meeting which will be our Annual AGM meeting.

## AGM MEETING

Our FOLS Annual General Meeting will be held on Thursday 13<sup>th</sup> October at 7pm in the school hall. We would like to invite you all to come along. The meeting will include reviews from fundraising and events from the 2021/2022 academic year, vote in new committee members (previous email has additional information on how to be considered for a role or just ask any current FOLS member for help). We will also discuss some of the forthcoming years events and dates. If you have any ideas or anything you would like to share but can not make that date, please feel free to discuss this with us prior to the 13th so we can relay these during the meeting.

We look forward to seeing you all!

## THANK YOU

We wanted to send a huge thank you to all of you who were able to support our fundraisers from last year, they provided our children with new technology for the new classrooms, money towards the pantomime and Christmas gifts, along with new books and plenty of resources. So far, we are planning to contribute to the pantomime and Christmas gifts again this year and much more as the year progresses so let's make this 2022/2023 FOLS fundraising the best one yet!

We have some fun events coming in the next few months, starting the festivities off....
