

DGAT Youth Parliament Climate Crisis Debate

Today pupils from across the DGAT schools met for the first DGAT Youth Parliament in the Parliament room at Gloucester Cathedral. Amelia and Monty represented Longney and took part in a range of debating activities during the first part of the morning. For the final hour, Dale Vince came and spoke to the group. He explained about all the projects he has been involved in and why and also

shared some of his future ideas! Everyone was given the chance to ask him questions and even challenge some of his thoughts. Amelia and Monty will be leading a project across the school to help make our environment most sustainable - watch out for further information!
