

Building Community, Enriching Lives

Newsletter: 17th February 2022

New Building

The building work continues to be on track and we are all very excited about how the new building is coming on. As you will have noticed, the roof is now on, the scaffolding has come down from the building and work on the internal area is well underway. The work is due to be completed by 8th April and we are looking forward to moving the classes in to their new classrooms ready for the summer term. The field will be restored once the equipment is off site although it may be a little while before we can use the whole area again. The cabins will be removed from the car park during the Easter holidays which will make a difference to everyone! Thank you for all your support during challenging time.

World Book Day

We will be celebrating World Book Day on **Friday 4th March** as Thursday is PE day. Pupils are invited to dress up as a character from a book. The World Book day tokens will be coming home this week so that children can purchase their book over half term.

FOLS Quiz Night

Thank you to Ian Neville and the FOLs for a fun quiz evening on Saturday. It was lovely to recommence our social, fundraising events and to have a chance to catch up with our wider community. Thank you to everyone who donated food and prizes for the raffle.

NSPCC Number Day - Friday 4th February

Thank you for your support with Number Day. Across the day there were a range of activities and Swift Class especially enjoyed leading active maths activities for Skylark Class.

Thank you to Skylark Class for running the cake sale. Altogether we raised £100 for the NSPCC.

100 Club

The results of the January Draw were:

1st	15	Hannah Pellant
2nd	87	Sherene Watts
3rd	75	Nikki Leach
4th	61	Ian Neville

Road Safety at Pick Up

Thank you for your patience during the ongoing building work with the drop off and pick up situation.

Please be mindful that it may be best to join the queue at pick up time from the back rather than trying to turn right into the car park which can cause further congestion on the road. This may mean going to the triangle and then back towards school.

Forest School Dates – Term 4

1st March	Goldfinch Class
8th March	Swallow Class
15th March	Swift Class
22nd March	Skylark Class
29th March	Goldfinch Class
