

*Building Community, Enriching Lives*

## **Newsletter: 11th February 2021**

### **Thank you!**

I would like to thank everyone for their support this half term, a half term like no other! Whether your child has been in school full time, part time or following the remote education, we all would like to say thank you for your support at this time. I would like to thank all our staff too who have continued to go above and beyond their normal role, getting to grips with technology and teaching remotely, phoning families, delivering hampers and so on. It is a credit to our whole community that we have been able to keep things going relatively smoothly!

I am now waiting to hear how things will look after half term and, like everyone else, will not have any further information until 22nd February when Boris Johnson delivers his update. As soon as we know the plan going forward for reopening schools, we will let you know.

Meanwhile, I hope you have a lovely half term break, please have a break from remote education and manage to have time away from the screens!

### **Inset Day**

**Monday 22nd February is an Inset day**—school will be open again on Tuesday 23rd February for critical workers and vulnerable children.

### **Welcome!**

A warm Longney welcome to Mr Pressland and Mr Gibbs from the University of Gloucestershire who will be working with Swift and Skylark classes this term.

### **FOLS**

Thank you to everyone who attended the Bingo last Saturday evening, it was a fun evening and the concentration of the children was amazing! Thank you FOLS for organising this. 100 Club will be carried over until the children are back to school.

### **Atlas Camps**

'Atlas Camps will be running camps this February half-term at Fieldcourt Junior school (Quedgeley camp) for children of critical workers and vulnerable children.

If you are eligible for childcare in either of these categories, please go to the following site:

<https://atlasamps.co.uk/camps/>
